

2016 Summer Program

Our specialized program is designed to empower children and their families with positive changes in speech, language and academic needs. Our unique methodology and specialized staff focus on providing academic success with personalized attention that results in measurable progress for our students.

To best serve our students, summer session classes will be limited to 6 students. The Child Application and payment are due in full prior to the first session of the month.

Please call **281-614-9367** or email us at mhodes@leapsinlanguage.com for more detailed information regarding specific sessions and costs.

Pragmatics Group (Social Language Skills)

Students interact in small groups to naturally develop and practice social skills while generating an understanding of the importance of social language. A skilled, certified Speech Language Pathologist instructs each session.

June Session (kinder-2nd grade)

June 6- June 27

Mondays

1:00pm-3:00pm

\$320

June Session (3rd-5th)

June 6- June 27

Mondays

3:00pm-5:00pm

\$320

Speech and Language Preschool (3-5 years)

The comfortable, structured environment we provide encourages students to use speech and language strategies while developing academic skills. Students develop all aspects of language, including social communication, while participating in math lessons, language activities, motor time and circle time. Each session is conducted by a skilled, certified Speech Language Pathologist and targets children from 3-5 years old. Insurance will not be billed for this group.

June Session

June 6th- June 22th

Monday and Wednesday

9:00am-12:00pm

\$720

Speech and Language Reading and Writing Camp (3rd-5th grades)

Students will focus on reading and writing skills. While reading, students will use strategies to increase their decoding skills and comprehension skills. Additionally, strategies will be taught to improve writing sentences and paragraphs. Every session is developed and taught by a skilled, certified Speech Language Pathologist and targets children at the elementary level. Insurance will not be billed for this group.

June Session

June 7th- June 23rd

Tues. and Thurs

9:00am-11:00pm

\$480

We cannot wait to start our fun-filled summer of learning!!!!
